

ROOS EISMA

ROOS.EISMA@GMAIL.COM

www.rooseisma.co.uk

My work is hand built in grogged white stoneware. I use techniques similar to those in dressmaking, using shaping and darting to create a curved shape out of flat pieces of clay slabs, before fine modelling and trimming to enhance the shape and sharpen edges. I love texture, sometimes adding a layer of textured slip to a piece and using 'dry' glazes and volcanic glazes to further create interesting details in the surface. Videos of each item are available on

<https://vimeo.com/showcase/7145402> - these give a better overview of shape, size and details.

ROUGH TEXTURED ROCK POOL BOWL

Rough textured rock pool bowl, H9 x D22cm, Double walled vessel, hand built in stoneware, Finished with layered matt and volcanic glazes on the outside

£85 (UK P&P £10)

ROCK POOL BOWL

**Rock pool bowl, H9 x D22cm, Double walled vessel, hand built in stoneware,
Finished with layered slips and glazes on the outside**

£85 (UK P&P £10)

CRACKING ROCK VASE #1

Cracking rock vase, H30 x D20cm, Double walled vessel, hand built in stoneware, Finished with layered matt and volcanic glazes and metal effect details on the outside

£175 (UK P&P £20 (includes heavy duty plastic storage crate))

CRACKING ROCK VASE #2

Cracking rock vase, H30 x D20cm, Double walled vessel, hand built in stoneware, Finished with layered matt and volcanic glazes and metal effect details on the outside

£175 (UK P&P £20 (includes heavy duty plastic storage crate))

TWISTED VASE

**Twisted vase, H46 x D21cm, Double walled vessel, hand built in stoneware,
Finished with layered matt and volcanic glazes on the outside**

£345 (UK P&P £30 (includes heavy duty plastic storage crate))
